THERE IS *NEVER* A SHORTAGE OF EXCITEMENT AT THE SAVANNAH PHILHARMONIC, AND OUR 15TH ANNIVERSARY SEASON PROVED TO BE

NOTHING SHORT OF INCREDIBLE!

With amazing guest artists like the internationally acclaimed Julian Rachlin, to an unforgettable performance of Verdi's Requiem with the Savannah Voice Festival and the Savannah Philharmonic Chorus, to bringing musicians directly to your neighborhoods and schools with high quality performances and music instruction, we built a community of music throughout the city.

The number of community members and students reached in this report are astounding! But the most incredible piece is that YOU, our wonderful patrons and donors, demonstrate time and again that you wholeheartedly believe in the mission and vision of the Savannah Philharmonic. You are just as excited as we are when the concerts are sold out; the lobby of the beautiful Lucas Theatre for the Arts is bustling; when Keitaro, your SavPhil Orchestra & Chorus and guest artists bring a composer's work to life; and our students have the opportunity to demonstrate what they have accomplished in one short school year of music making.

Music is the universal element of everything we do. It brings the Savannah community together *and* enlivens our city. I thank you for all that we have accomplished together and look forward to the next 15 years (and beyond)!

Amy Williams
